<u>1</u>	<b>Tangled in Tinsel: a holiday novella (a holidays series)</b>	December 8, 2022	1	Imagine being snowed in with four hot successful men. P.S. they've all played the hero in too many of your naughtiest dreams. Problem is, you work for them, and that makes them off-limits. Except now they're looking at you like you're Santa's cookies. And they definitely want to take a bite. Talk about making you reconsider your life choices. These four are aiming for Santa's naughty list, and I'm pretty sure I'm getting: Jace Reed Alec ...and Cole for Christmas. It might've started as a decorating job. But it ended Tangled in Tinsel.
<u>2</u>	<b>Resting Scrooge Face: A Short Story</b>	November 29, 2022	2	From USA Today and Amazon Charts bestselling author Meghan Quinn comes a festive short romance about old flames and mistaken identities. After a bad breakup, Nola wants nothing to do with Christmas, especially in her quaint hometown of Bright Harbor, Maine. Infuriatingly charming and cheery, Nola's surroundings only worsen her sour mood. To make matters worse, Caleb, the boy who broke her heart years ago, is all grown up and still living in town. While doing her best to avoid him, Nola bumps into the local mailman, who gives her a mysterious letter. And when she finds that the writer is a fellow Scrooge, she can't help but feel her spirit lifting. Nola writes back to her new pen pal—who, unbeknownst to Nola, is none other than Caleb. When Caleb gets a response hand delivered by the mailman, he's intrigued by the mystery sender. A friendly correspondence develops—and quickly turns flirtatious. Although Nola and Caleb claim they can't stand each other, they can't deny the simmering attraction that brought them together in the first place. Can these nameless pen pals write their own love story—or will they be too caught up with the ghosts of their Christmases past to find a future together?

3	<b>Let It Snow: THE NUMBER ONE BESTSELLER</b>	August 30, 2022	3	<p>THE NUMBER ONE BESTSELLER. Curl up with the perfect cosy read and the latest novel by the bestselling author of Just the Way You Are. 'Every day is a perfect day to read this.' Shari Low After the end of a long-term relationship, local weather girl Bea Armstrong has been avoiding her family, and their inevitable 'I-told-you-sos.' But with Christmas fast approaching, she is finally on her way home to Charis House, the school in Sherwood Forest that her mum and dad run in their old family home. And to top it all off, the insufferable Henry Fairfax – who her parents have always wanted her to marry – has also been invited. Relief comes in the shape of a last minute interview for her dream job. There are just a few minor problems... The interview is in Scotland, Bea has no car, and the snow is falling already. The only solution is for Henry to drive her – could this Christmas get any worse... But during an unforgettable two day interview, a stay in a log cabin and a nightmare journey through the snow, Henry turns out to be nothing like she thought. And when Bea's first love and recent ex shows up, Bea has a difficult choice to make... Reading Beth Moran's fabulous novels makes every day better. Now an AMAZON Top #10 Best Seller! A #1 Best Seller Holiday Romance A #1 Best Seller in Holiday Fiction A #1 Best Seller in Inspirational Romance A #1 Best Seller in Romantic Comedy Clark Griswold was onto something, at least with his annual holiday meltdown. And since the last three weeks of my life have been riddled with humbug—another breakup, a broken toe, an office promotion I deserved and didn't get—I'm not at all in the mood to celebrate nor have the happ, happ, happiest Christmas EVER. When Mom insisted that we all gather at my Grandparent's ancient cabin for an old school family Christmas, I fully intended to get into the holiday spirit with the help of the three wise men, Johnnie Walker, Jack Daniels, and Jim Beam. But those boys did absolutely nothing to offset the shock or temper the sting of seeing my EX on our doorstep the first day of our holiday soiree. Apparently, Santa missed the memo, and this elf is pissed. Stuck for a week with the man who obliterated my heart nearly two decades ago, I did the only thing I could do and put on my game face, thankful for the home advantage. I knew better than to drink that last cup of eggnog. I knew better than to get tongue tangled beneath the mistletoe with the only man to ever break my heart. I knew better than to sleep with Satan's wingman on the eve of the Lord's birthday. I could blame the nog. I could blame the deceitful light blue eyes, thick, angelic hair, and panty evaporating smirk...but mostly, I blame Eli because he always knew exactly which of my buttons to push. I foolishly thought a family Christmas filled with nostalgia was going to turn my inner Scrooge around, but this year's festivities went up in flames. Leave it to the ghost of my Christmas past to be the one to light the match. Fa la la la la, la FML. The Plight Before Christmas is a full length, second chance, Christmas themed romance and most definitely on SANTA'S NAUGHTY LIST!

<a href="#">32</a>	<b>A Holly Jilly Christmas: a sweet holiday romantic comedy (Love Stories in Sheet Cake Sweet Rom Com Series)</b>	December 9, 2022	32	My life is nothing like the movies we make at the studio where I work--especially not when it comes to relationships. Which means that there will be absolutely NO romance between me and Case, the grumpy exec I've had a crush on from our very first not-so-meet-cute. We're simply two coworkers scouting the town of Sheet Cake, Texas as a location for filming. That's it. Though, to be honest, I'm suspicious of why Case came on this trip at all. Whatever the reason, there will be no Christmas magic, and definitely NO mistletoe kisses. But when Case actually starts talking to me--gasp!--and reveals the humor and kindness buried beneath his gruff persona, my little crush explodes into something a lot harder to hide. Except he's harboring secrets of his own. And I'm starting to wonder if his cagey behavior is because he's planning to take credit for my (admittedly brilliant) idea to make this town our central filming hub. He's not that kind of man ... right? All I wanted for Christmas was a promotion, and now I'm falling for the man who might be trying to steal it. A Holly Jilly Christmas is a grumpy sunshine Christmas novella set in the world of Sheet Cake, Texas. You'll get all the chemistry and laughs in this closed door romance.

Book 1: Christmas with My Best Friend's Dad After two years in Paris studying music, Grace is back in Malibu, CA for Christmas, but she never forgot the last holiday she spent in California having an almost-one-night-stand with her best friend's father, Jasper Hayes, enigmatic billionaire. Grace was ready to give Jasper her everything, until circumstance ripped it all to shreds. Now, back and hoping to move forward, Grace finds herself faced with a morally ambiguous proposal from none other than Jasper himself. For \$25,000, Grace will pose as the perfect girlfriend for his company's annual Christmas gala in NYC. It will only be one three-day weekend of elegant pirates, dinners, and Christmas finery, but nothing is ever so simple. With everything falling apart, only a Christmas miracle can repair the wounded relationships. Book 2: Knocked Up on Christmas Eve Hope didn't know what to think when she booked herself into a hotel on December 23rd. Her best friend was in love with her father. Her father had paid her best friend to pose as his trophy girlfriend. Feeling confused and betrayed, Hope walked herself into the hotel bar and found herself waking up in a room that wasn't hers. Instead, it belonged to Felix Jacobson, notorious billionaire executive and playboy (and a family friend). Two Years Later, it's their daughter, Clara's, first real Christmas, but Hope doesn't know how to give Clara the one gift she deserves: her father. Book 3: Her Secret Santa They told Inez she shouldn't major in creative writing. They told her not to move to Los Angeles to try her hand at screenwriting, but when did Inez ever listen? How could she do anything but follow her heart right into the house of famous actor, Cole Crawford? She's trying not to drown in her student debt, and the gig Cole offers also means living in his Spanish-style mansion for free. With his sister, Natalie, recently divorced, Inez finds herself as the young nanny of Natalie's twins, Rose and Asher. It's time for the family to deck their mansion's halls, but nothing about the season feels cheerful. Cole finds himself at a crossroads in his career, and the new buxom nanny he hired for his sister is only serving as a distraction. Inez is bright, beautiful, and far too appealing when she sleeps in his bed (unbeknownst to everyone else in the house). Of course, there's no sneaking past the positive pregnancy test. If you are craving for a little naughty with your nice this Christmas, grab this unputdownable box set of three standalone holiday romances, each one naughtier than the previous one and promising your usual Sofie fix – a touch of forbidden with the perfect happily ever after.
34	<b>Best Friends Don't Kiss: A Holiday Romantic Comedy</b>	November 28, 2020	34	All I want for Christmas is a fake boyfriend to bring home for the holidays... Goal: Find a boyfriend, get married, buy a house in the suburbs with a white picket fence, and pop out 2.5 kids. Deadline: Sixty days. That's possible, right? HAHahaha. *Faints* I'm kidding. Well, kind of. I mean, I'm not going to attempt a shotgun wedding or try to get knocked up by some guy I met on the internet, but there is no doubt that, this year, home for the holidays takes on a whole new, terrifying meaning. I have to travel from New York City—my home and safe haven for the last fifteen years—to my tiny hometown in Vermont for Christmas, my baby sister's wedding, and my high school reunion. Talk about a trifecta of single- doom. Throw in Callie Camden— aka my high school class's version of Regina George —and it's a recipe for certified disaster. Especially since my mouth ran away from me when she asked me if I'd be bringing someone to our reunion, and I told her to put me down for two. Now I can't go alone. But the online dating world is a cesspool of bad manners, speedy hookups, and outright weirdos. Handsome, single, successful— that's what I'm looking for. And it just so happens that my best friend Luke London fits all of the criteria. The only problem is best friends don't kiss ... But maybe it doesn't count if it's pretend?

<a href="#">44</a>	<b>Holiday Romance: A totally hilarious and unforgettable Christmas romantic comedy</b>	October 4, 2022	44	"This is officially my favorite holiday romance. I loved every single minute of it, and wished it never had to end ... The epitome of the Christmas Romance ... I cannot recommend this book enough." Marensreads ☆☆☆☆☆ She's meant to be catching flights, not catching feelings... Molly and Andrew are just trying to get home to Ireland for the holidays, when a freak snowstorm grounds their flight. Nothing romantic has ever happened between them: they're friends and that's all. But once a year, for the last ten years, Molly has spent seven hours and fifteen minutes sitting next to Andrew on the last flight before Christmas from Chicago to Dublin, drinking terrible airplane wine and catching up on each other's lives. In spite of all the ways the two friends are different, it's the holiday tradition neither of them has ever wanted to give up. Molly isn't that bothered by Christmas, but—in yet another way they're total opposites—Andrew is a full-on fanatic for the festive season and she knows how much getting back to Ireland means to him. So, instead of doing the sane thing and just celebrating the holidays together in America, she does the stupid thing. The irrational thing. She vows to get him home . And in time for his mam's famous Christmas dinner. The clock is ticking. But Molly always has a plan. And—as long as the highly-specific combination of taxis, planes, boats, and trains all run on time—it can't possibly go wrong. What she doesn't know is that, as the snow falls over the city and over the heads of two friends who are sure they're not meant to be together, the universe might just have a plan of its own... A totally gorgeous and escapist friends-to-lovers festive romance with a swoon-worthy hero. Perfect for fans of Sophie Kinsella, Mhairi McFarlane, and Christina Lauren. 56	<b>A Newport Christmess: A Sweet Romance (Christmas Escape)</b>	November 9, 2022	56	Love can be downright messy. This last year has been a total disaster, but my failed six-month marriage takes the cake. While my ex is out having the time of his life, my coping mechanisms consist of an unhealthy obsession with true-crime podcasts and trying to revive my floundering social media account. So, when I get an offer from one of social media's darlings—Nikki Aker—to make gingerbread centerpieces for her Christmas wedding, I can't refuse. Not only because the job pays well (my maxed-out credit card will attest to how much I need this money), but it's a last-ditch effort to increase my following before I'm forced to get "a real job." There's only one small problem I didn't account for: Nikki's a self-proclaimed matchmaker, and apparently, I'm her next target. My only hope to escape unscathed is to conspire with Nikki's grumpy—albeit gorgeous—brother, Landon, who seems equally determined to get through this wedding with his single status fully intact. All we need to do is convince Nikki we're developing feelings for each other. What can possibly go wrong? *This is a sweet/clean romance Enjoy the other books in this series that can be read in any order: Christmas Baggage by Deborah M. He didn’t see getting fired coming. And he certainly didn’t anticipate flying across the country to the world’s hippie-est, happiest, most annoying town to save his great-uncle from some mysterious emergency. Not only is there actual snow on the ground, it also appears that elves on psychedelics have decked Blue Moon’s halls. But he doesn’t have time to be snarky about the impending Winter Solstice and Multicultural Holiday Celebration—whatever the hell that is. Not when he’s got a farm to save, a free-range sheep that he may or may not have nudged with his stupid microscopic rental car, and some small-town veterinarian telling him she can’t take the animal off his hands. Dr. Sammy Ames has a practice to manage and a fundraising crisis to attend to. She doesn’t have time to deal with a big-city grouch who doesn’t remember being her first kiss ever. Especially not since he wants to dump a sheep named Stan on her. So not happening. No matter how cute—and pantless—Ryan is when he’s drunk. Besides, as soon as he solves his uncle’s problem, he’ll be on the first flight out of Blue Moon, never to return again. It will take a Winter Solstice Miracle or perhaps some matchmaking interference from the Beautification Committee to get these two to see eye-to-eye under the mistletoe...unless he’s the wrong Ryan after all.</p>

Even though they'd been in the same grade, they had definitely moved in different circles throughout their school years.
